

Scott Armstrong Joins BioWorks as Technical Sales Manager for the South Region

Victor, New York (May 1, 2007) – BioWorks, Inc. proudly announces that Scott Armstrong has joined the Company as the South Region Technical Sales Manager, supporting sales in AR, CO, LA, NM, OK, TX and UT

Scott brings considerable talent to BioWorks, with over twenty years of sales and management experience in this industry. Scott has worked with some of the leaders in the industry in the planning and sales of greenhouse, inside floral, lawn and garden, and outside container crops. Mr. Armstrong's primary responsibility for BioWorks will be to work closely with growers in the South Region supporting and promoting the sales of RootShield® Granules, PlantShield® HC, TriCon™, BotaniGard®, MilStop® and NemaShield™ as environmentally responsible, safe and cost-effective solutions.

Scott may be reached at his cell phone number: 505-202-5699.

BioWorks, Inc., a privately held company, provides environmentally responsible, safe and cost-effective solutions to the agriculture industry. BioWorks is a founding member of the BioPesticide Industry Alliance.
