

DOUG BARROW JOINS BOWORKS AS BIOLOGICAL CONTROL ADVISOR

Victor, New York (March 9, 2020) – Doug Barrow has been named Biological Control Advisor at BioWorks. In his new position, Mr. Barrow will be increasing BioWorks ability to deliver personalized programs and support to our customers in North America.

Mr. Barrow has over 20 years of experience in the horticulture industry, with his most recent experience working in biological control. He previously held positions at Biobest, Gro “N” Sell and Robertson of Wyndmoor. With experience in both production and biological controls, Mr. Barrow has become a trusted resource to customers seeking personalized solutions specific to the crops they are growing and the type of operation they are running.

“Doug is an exciting addition to the BioWorks team.” said Ronald Valentin, Director of Technical Business. “His experience and customer-centric mindset will make lasting contributions to our ability to serve customers.”

Mr. Barrow may be reached at (800) 877-9443, ext. 352, or by email at dbarrow@bioworksinc.com.

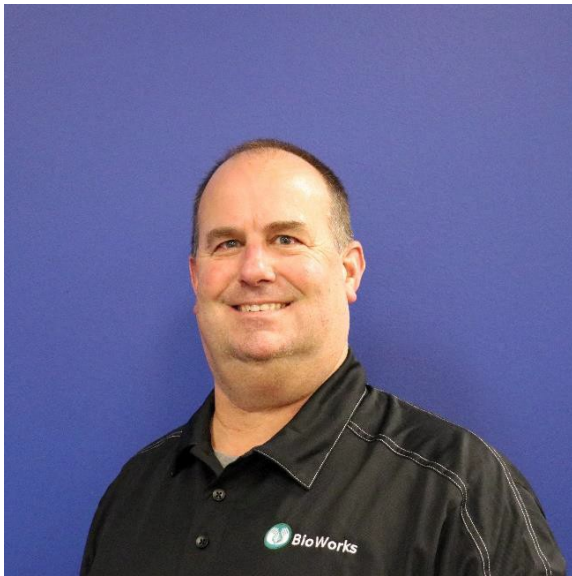

About BioWorks

BioWorks provides the expertise for managing plant and soil health using reliable, environmentally responsible products, when and how you need them. BioWorks is home to the RootShield®, BotaniGard®, BotryStop™, CEASE®, Molt-X®, MilStop®, NemaShield® and SuffOil-X® brands of biopesticides and Verdanta® and ON-Gard® brands of biofertilizers.

For over 25 years BioWorks has been helping our customers in the horticulture and specialty agriculture markets develop effective and efficient custom programs using products that are safe and proven. We are continuously reinventing the way our customers work by providing biologically based, integrated, safe solutions and programs.

BioWorks is a founding member of the Biological Products Industry Alliance (BPIA) and also a proud sponsor of the [AFE scholarship program](#), funding the 'BioWorks IPM/Sustainable Practices Scholarship'. For more information, please visit www.bioworksinc.com.
